Visioning Committee Meeting Minutes

I. *Birthday Club*

The problem with the birthday club data base was that a sort was done on the “date” field, and the other fields associated with the date did not sort, thus mixing up all the records. This problem has been straightened out, and the process seems to be working correctly now. Patty got a printout of the birthdays remaining in the calendar year, and Jeanne will forward any additions, if any, to her.

II. *Winter Movie/Study*

There was a consensus that there was not enough material to conduct a 6-week, or even a 4-week study of the movie *I'll Push You*. We discussed having a showing on a Sunday, followed by discussion Monday evening, repeated a week later; *or* two showings in a row (Sunday afternoon and Monday evening) followed by two discussion sessions on the same days the following week. Attendees would go to one of the showings and one of the discussions.

Pastor Craig has access to the movie, and Sheri and Keith have agreed to lead the study. We delayed the start date to January 9. At our next meeting, we will need to arrange for advertising, sign-up sheets, and other logistical matters, such as snacks or beverages. We also need to keep in mind that if COVID cases continue to rise, we may have to require masking or even postpone the study.

III. *Future Study*

The Chosen is a TV series we will consider in the future. It may be rather lengthy, though. We need more information about it.

III. *Meeting Time*

The meeting time came into question. Those present preferred 5:00 to 7:00. (Choir practice is a 6:00, so we have to work around that.) Rich will query the rest of the committee members.

IV. *Church Self Analysis (SWOT)*

This will be considered in the future.

IV. *Welcome packets*

This item will also wait until a later date, when the other initiatives are completed, perhaps in the January meeting.

Next Meeting Date & Time – The next meeting is scheduled for Thursday, December 9, at either 5:00 p.m. or 7:05 p.m. *Note that the time is yet TBD.*
