Visioning Committee Meeting Minutes

I. *Winter Movie/Study*

The dates for the showings of the movie *I'll Push You* are now Sunday, April 24, and Sunday, May 1, around 12:30 p.m. Each showing will be followed by a discussion the next day at 6:00 p.m. In preparation for the discussion sessions, handouts found on the movie's web site will be distributed after the showings. We will advertise extensively in the Parish News with "save the date" announcements and links to the movie trailer. We will not advertise with notices or announcements outside the church, but invitations to others by word of mouth is supported.

On the Sundays of the showings we will have "pot luck" dinners. Sheri and Linda have volunteered to make chili and corn bread. They will seek help from Vicki Podomonic. The movie will be shown after the meals.

II. *Spirit-raising Activities*

So far, the Personal Anecdote Game has not taken off; only one couple outside the Visioning Committee has played. We will try once more to see if we can get others to participate. For this effort we intend to come up with a more catchy name, and our advertisement will be shortened and made more enticing.

Next Meeting Date & Time – The next meeting is scheduled for Thursday, April 14, at 5:00 p.m.
