## Special Visioning Committee Initiative

### *Church Directory and Providing Support –*

#### **Tasks necessary to accomplish this initiative** *(listed below in order of announced):*

1. Contact members & friends of the church about any needs and Church Directory issues
2. Review Church Directory information with members and friends
3. Find out how the Church Directory will be produced
4. Develop a shared spread sheet to document answers and concerns
5. Compile a list of questions that need to be covered during each conversation
6. List volunteers to be callers
7. Divide up the names equally to each of the volunteer callers

#### **Action items regarding the list of tasks to be completed before our next meeting:**

1. Jay will find out from the company that produced our last Church Directory information as to how the company would perform the photography, production, photo selling, and whether they will accommodate us with two separate sittings, one in the spring and one in the summer. Jay will also speak with Nick Wognum regarding the printing of our own Church Directory and whether that's a viable option.
2. Rich will develop the shared spread sheet and distribute to the committee members for review to see if there are any missing items
3. Rich will compile the list of questions and distribute them to the committee for review
4. Linda, Jay, Keith, Rich, Lucy, and Craig all volunteered to be callers. Craig will ask Gail Haney if she would volunteer to be a caller, Linda will ask Patty Rusco, and Jay will ask Jeanne Tomlinson.
5. Rich will divide up the call list as soon as he knows the number of volunteer callers
6. Committee members attending the outdoor church services will speak to attendees about a future call from a member of the committee or volunteer concerning their well being and the church directory. *(Perhaps Pastor Craig can make this announcement during the service so that each attendee gets the same information.)*

**Next Meeting Date & Time** – The next meeting, possibly via Zoom, is scheduled for Thursday, September 10th, at 7:00 p.m.
